We have been the
innovators of the original

“Colorado Style Mountain Pie”

SINCE 1973

Our Mountain Pie features a hand-rolled dough edge that creates a barrier to hold a generous amount of fresh toppings, perfect for satisfying adventurous appetites. We prepare our dough fresh each day, using **honey/agave and olive oil** instead of sugar. The Mountain Pie is available in sizes ranging from 1 pound to 5 pounds. Its crust doubles as a built-in dessert, perfect for dipping in honey. We suggest ordering about a pound per hungry person. In contrast, our Prairie Pie has a lighter, premium topping selection and lacks the hand-rolled edge. The Prairie Pie is offered in small, medium, large, and extra-large sizes. Together, these pizzas beautifully reflect the diverse landscapes of Colorado, from the majestic mountains to the sweeping prairies.
